**75%**

*on average for our clients.*

# How It Works

## *Email Us Your Onboarding Forms*

Attach all onboarding forms, agreements, and tax documents

## *We Design Them in Our System*

Design and entry typically takes 3 weeks

## *You Email Your Candidates a Link to the Forms*

They fill out forms online through our secure system and you receive all forms digitally

# WHY IT WORKS

- The median time it takes for our largest client's candidates to fill out their 28 step onboarding process is only 1 hour and 22 minutes.
- Save time and money by avoiding paper printouts and mailing packets to candidates.
- A quicker and easier onboarding process gives potential employees a positive first interaction with your company.
